STEP THREE – RECORDS REVIEW AND TESTING

The administration will review the school records that you have provided (step one, # 8 above). For students entering kindergarten through 8th grade, placement testing will be scheduled. STEP FOUR – MEETING AND ACCEPTANCE

The final application step is a meeting between the new family and the principal. If your child is entering grade PK – 5th, the parents will be meeting with the lower school principal. If your child is entering 6th-12th grade, you and your child will meet with the upper school principal. The purpose of the meeting is to further familiarize you with Salisbury Christian School, to discuss with you the meaning of Christian education and to finalize the placement of your child at SCS. After this meeting, you will receive notification of the acceptance of your child to SCS by the registrar either in writing or by a phone call.

SCS ADMISSION POLICIES

Salisbury Christian School admits students of any race, color, sex, and national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school and in the administration of its educational policies, admission policies, and school-administered programs. Salisbury Christian does not discriminate on the basis of race, color, sex and national and ethnic origin in the recruitment of faculty and staff.

Attendance at SCS is a privilege and not a right. Each student should value positive attitudes toward spiritual things and the school. Additionally, each student should recognize the positive culture of the school as important for his/her own personal welfare as well as the welfare of classmates... "Live peaceably with all men." Romans 12:18. Students are asked to seek a spirit of humility, willingness to learn, obedience, self-discipline, kindness and love.

REQUIREMENTS FOR ADMISSION

Salisbury Christian School desires to be a professional educational resource for Christian families in this region. Therefore, the following admission requirements have been established:

- At least one parent has a personal relationship with Jesus Christ as evidenced through a written testimony and attends church regularly.
- Willingness and desire to follow Jesus.
- Willingness and desire by student to attend SCS.
- Completed application forms, signed by parent(s), including health records (current health inventory, shot record, lead screening for students under age six), references and registration/testing fees.
- Satisfactory scholastic and behavioral records from previous school.
- Satisfactory performance on a placement test administered by SCS teachers.
- Personal interview for parents and students by the Administration
- It is expected that pre-kindergarten students already be toilet trained. The students should be able to use the bathroom independently. Occasional accidents are understandable, but a regular pattern of this will be unacceptable. "Pull-ups" are not permitted. If a student demonstrates a regular pattern of accidents, there will be a trial period of four weeks from the start date of the child in which to resolve this issue. If the child is not fully trained at the end of the four week period, the student will be withdrawn from SCS. When the child is trained, the parents may contact the registrar to inquire about openings; if an opening still exists, the child may return to SCS pending approval of the administration.

POLICIES FOR ADMISSION

1. Applications for admission of new students will be received at any time during the year. The appropriate registration fee must be included with the application.
2. Kindergarten – 12th grade homeroom class size is 24 students. Pre-K classes are limited to 18 students due to Maryland State Department of Education (Office of Child Care) regulations.
3. Acceptance is based on: space availability, academic and social readiness, siblings currently enrolled in SCS, Christian commitment, local church involvement, and recommendations from a pastor/priest, family friend and previous teacher (if applicable).
4. Eligible students will be accepted in the following order:
 - Staff member's children
 - Siblings of students already enrolled
 - New students / families
5. New students will be eligible for admission onto our waiting list after the requirements for admission have been completed. SCS will endeavor to admit an entire family at the earliest possible time.
6. Since specialists are needed to properly minister to children with special needs, and since we are unable to provide programs for them, we are unable to accept children: a) who have severe physical handicaps, b) who have severe learning or social difficulties, c) who are emotionally disturbed, and/or, d) who have a history of unruly or disruptive behavior.

RETURNING ADMISSION POLICY

If a family chooses to transfer their child/children from Salisbury Christian School to another school and then desires to return to SCS, the following requirements for re-admission are:

1. If a family has not been registered with SCS for one school year or less, please provide the following when requesting re-entry: Re-enrollment form and release of student records form(s). The parents will be asked to come for a meeting with the principal.
2. If a family has not been registered with SCS for more than one school year, the family will be asked to repeat the entire application process.

AGE OF ELIGIBILITY

One of the factors used to determine eligibility for students entering pre-kindergarten, kindergarten, and first grade is the birth date of the child. Please refer to the following chart for the appropriate birth date deadline for your child. These dates are consistent with guidelines established by the state of Maryland. Our experience has shown that children in these age groups are generally more successful academically and socially when these guidelines are followed.

PHILOSOPHY OF EDUCATION

Christian Education

The purpose of education is to impart knowledge in order to prepare students for life. The primary responsibility for the education of the child lies with the parents. The interaction of the parents, church, and school forges values and practices that can last throughout the child's life. The Christian school partners with the parent in establishing an orderly and structured setting for learning to take place. Christian education seeks to encourage the students to view the acquisition of knowledge within a worldview that is consistent with the home and church experience of the student.

*In support of the role of the parents and church, there are three unique components of Christian school education:
the student, the teacher, and the curriculum:*

The Student

Humans are created in the image of God and therefore each student possesses incredible worth and potential. As such, each student must be viewed as an individual with unique intellectual, social, and physical capabilities. The student must be an active participant in the educational process for learning to be maximized.

The Teacher

The teacher must first have a personal relationship with Jesus Christ and exhibit a passion for the education of children. The teacher must possess a mastery of his subject area and its biblical integration. It is imperative that the teacher knows his students and provides a dynamic and interactive learning environment. In addition to providing academic training, the teacher must also nurture, guide, and promote spiritual growth within the student.

The Curriculum

The curriculum must reflect the knowledge of God as well as the theme of the redemption and restoration of man. A Christian curriculum permeates all subject areas. The curriculum must be based upon an excellent academic foundation in which all subject areas are intentionally taught from a Christian worldview.

Salisbury Christian School admits students of any race, color, and national or ethnic origin.

7. I understand that the school reserves the right to dismiss any child who fails to comply with the established regulations and discipline or whose financial obligation remains unpaid.

8. I understand that the school reserves the right to change any policy herein, at any time, at the sole discretion of the Board of Governors when it determines the change to be in the best interest of the school.

9. I understand that the school is an extension of the family and the parent and teacher are co-workers in the child's education. I will contact the teacher and discuss any areas of concern before discussing the problem with others. I will encourage and support my child's teacher.

10. I agree to provide SCS (upon request and in a timely manner) with a completed Emergency Form, a completed Physician's Medication Order Form for all medications (prescription and over the counter) to be administered at school, and copies (and/or updates) to my child's Immunization Record.
