Salisbury Christian School is a coeducational, college preparatory school for grades pre-kindergarten (age three) through twelve. Now in its 50th year, SCS has grown from a small preschool to a leading school with a current enrollment of 570 students. The three-building campus is home to the Madeline Godfrey Perdue gymnasium, two fully-equipped science labs, a fitness center, an upper school media center and library, a newly renovated lower school library, two technology labs, and athletic fields for soccer, baseball and softball. With 50 faculty and 11 instructional assistants, the average class size is 19. The faculty tenure average is 11 years.

Located on the Eastern Shore of Maryland, Salisbury is the county seat of Wicomico County, population near 99,000. A growing, mostly rural community, Salisbury is the location of the Perdue Corporation Headquarters, a thriving medical center, and the distinguished Salisbury University. Atlantic Ocean beaches and resorts are a short distance away.
