

PreK Summer Program Themes & Schedules 2021

Week #1 (June 21 - 25) Crayon Crazy

As we kick off our summer, we will celebrate with a week filled with crafts and crayon craziness! Campers will be welcomed into their team color groups and get to spend time with friends, new and old. We will focus on examples of kindness and friendship from the Bible and refresh our brains on what we learned in preschool (colors, numbers, and letters- oh my!).

Week #2 (June 28 - July 2) Serengeti Trek

This week, we will gear up for the adventure of a lifetime as we prepare for our trek across the vast savanna- where kids are WILD about God! Campers will join a Safari Crew and pounce into the word of God as we explore biblical truths and strengthen our faith with the help of a few jungle friends. We will spend our time singing with Zack the Zebra, counting and crafting in the Lion's Den, and getting wet and wacky at the Watering Hole!

Week #3 (July 5 - 9) Fun on the Farm

Oink, quack, moo- we love the farm, too! Get ready for FUN from sunup to sundown as we put in a full week's work of learning and exploring! Our little sprouts will get hands-on experience planting and harvesting, learn where food comes from, make healthy farm-fresh snacks, and even get to "Touch a Tractor." On Friday, we will participate in "Barnyard Palooza" complete with tractor rides, face painting, and a petting zoo!

Week #4 (July 12 - 16) Camp SONrise

As we point our compass on Jesus, we will travel to SONRise National Park to learn and play under the stars. We will set up camp in Little Bear Country to discover a wilderness adventure full of exciting sights, smells, and sounds! Campers will enjoy story time with a different wildlife creature each day, conduct hands-on experiments like designing a DIY solar oven, and build lasting memories around the campfire.

Week #5 (July 19 - 23) Coastal Critters

We are so lucky to live on the Eastern Shore and be surrounded by such amazing and diverse habitats! This week, we will learn all about our local bays and the "coastal critters" that call them home. We will get up close and personal with horseshoe crabs, fish, and even... sharks! Our mini marine biologists will learn about buoyancy, coastal critter diets, and get to enjoy an afternoon in our "backyard beach" right here on campus!

Week #6 (July 26 - 30) Fiesta of Faith

Hola, amigos! Welcome to the Fiesta of Faith, where kids are fired up about Jesus! Get ready for an exciting celebration of Gods' love filled with lively mariachi bands, colorful folklorico costumes, cacti and chili peppers, and tons of Fiesta Fun!! Who's ready for a week of spicy surprises?!

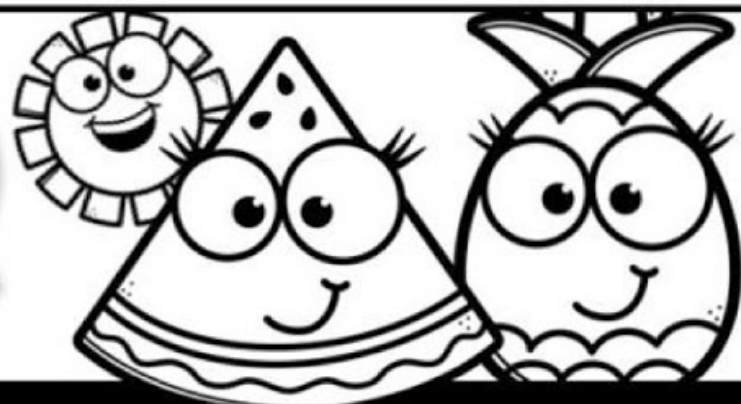

Week #7 (August 2 - 6) Kingdom Rock

Grab your armor and be ready to stand strong in the word of God as we travel back in time to KINGDOM ROCK! Our knights and maidens will enjoy a week full of music, art and Bible-learning experiences to see, hear, touch, and even taste! Sir Valiant and his trusty helper, Chadder the Mouse, will guide us through a royally rockin' adventure that is sure to strengthen our faith!

Week #8 (August 9 - 13) Summer Send-Off!

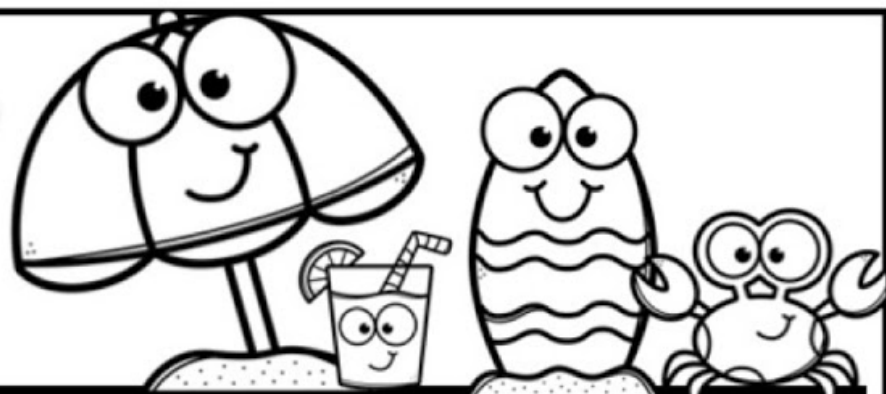

As we say goodbye to our summer preschool program, our campers will celebrate the "Best of" the season. We will enjoy a "Beach Day," complete in color team competitions, and relive some of our favorite activities from camp. On Friday, the last day of camp, we will celebrate with "Popsicle Play Day"!

June
