

The Summer Art Camps are offered to encourage students who have an expressed interest in art, to deepen their skills and knowledge in a variety of ways. Small class sizes will focus on student choice and allowing students to foster their own personal work and development as an artist! Sessions are available for students who are enrolled as a full time student at Salisbury Christian School for the 2022-2023 school year and have just completed Grades 2 - 7. Materials are provided, space is limited, and refunds are not issued.
