TUITION ASSISTANCE

Salisbury Christian School (SCS) is pleased to offer Tuition Assistance to enrolled families who need help covering the cost of tuition. Our Tuition Assistance program is made possible through generous donors from our community and SCS. To assist with determination of need, SCS requires families requesting assistance to complete an online FACTS application. FACTS will ask for financial information from each family, analyze that data, then send a summary report to SCS.

APPLICATION GUIDELINES

- Families applying for assistance should be enrolled at SCS or nearing completion of the application process in order to be considered for assistance.
- Tuition Assistance is offered for students in PreKindergarten (5 days only) through 12th Grade. Infants, Toddlers, PreK-2, and three-day programs, as well as FI international students, are not eligible for Tuition Assistance at this time.
- FACTS and SCS will use the following to determine assistance: level of income and need, type of and reason for debt, past payment record with SCS (if applicable), and availability of tuition assistance funds.
- All information provided to FACTS and SCS is held in strict confidence.
- The primary, legal parents/guardians of the student(s) should be the applicants applying for assistance.
